25X1 4. [ ] Met with Representative Lawrence Hogan (R., Md.) and discussed the invasion of privacy of Federal employees legislation now pending before the Employee Benefits Subcommittee of the House Post Office and Civil Service Committee. Representative Hogan told me that his studies so far indicate to him a probable need for complete exemption for the Agency, NSA, and the Bureau. He noted that he visited NSA yesterday with Chairman Hanley and was impressed by their operations. He is looking forward to visiting the Agency but is running a very tight schedule these weeks. He suggested that a visit by the Subcommittee not be delayed to accommodate his personal schedule but that if he was not able to attend with the Subcommittee, he would very much like to come and break bread with us at such time as it can be arranged. He noted that in particular he would like a careful review of use of the polygraph and our procedures which he feels is necessary to rebut statements made by Senator Ervin. Arrangements for Representative Hogan's visit to the Agency will be coordinated through Mr. Richard Barton, Committee staff, and Marie Chaillet, personal secretary.

25X1 5. [ ] Met with Mr. Frank Slatinshek, Assistant Chief Counsel, House Armed Services Committee staff, and briefed him on the following items: French tactical nuclear weapon development; Soviet TU-128 deployment; Soviet Mars probe failure; and Soviet ABM facilities at Sary Shagan.

25X1 6. [ ] Met with Mr. Richard Barton, Employee Benefits Subcommittee staff of the House Post Office and Civil Service Committee, who told me that the first day of hearings had gone very well. The testimony was received from Representatives Charles Wilson (D., Calif.), Spark Matsunaga (D., Hawaii), and Senator Ervin (D., N. Car.). Both Representative Wilson and Senator Ervin were questioned somewhat extensively by Representatives Hogan (R., Md.) and Brasco (D., N. Y.) concerning exemption of agencies involved in national security matters from coverage under the bill. Mr. Barton told me that as far as the Committee schedule is concerned, the members of the Subcommittee have hearings starting at 9:30 a.m. each morning during the next couple of weeks with the exception of Monday, 17 May, and Friday, 21 May. We agreed that I would check to see which would be the best dates from the Agency's point of view and be back in touch with him tomorrow.
